RE: Zayas v. 233 Ninth Corp., et al
21cv10170 (ER)(JLC)

Dear Judge Ramos:

I represent the plaintiff and with the consent of the Defendants, file this joint letter motion seek a 30-day extension of time to file an application to reopen, or in the alternative, to reopen the case. This is the third request for an extension of time to reopen.

On January 3, 2023, the Court extended parties time to file an application to reopen by February 9, 2023. Since then, parties have been trying to finalize the terms of a settlement agreement. However, Defendant 233 Ninth Corp. is objecting to a proposed alteration.

Parties are confident we will find a resolution. However, we need more time to identify the alternative alteration and finalize the terms.

Thank you.

Respectfully,

/s/ James E. Bahamonde
